Gymnasium Tower Our office has received a number of apartments for exclusive marketing !!! The Gymnasium is the last luxury tower in the old north of Tel Aviv, close to Kikar Hamedina. Smart Tower combines the advantages of a perfect location with innovative and advanced design.

The Gymnasium Tower in Tel Aviv received Form No. 4 for population, Our office has received a number of apartments for exclusive marketing !!! The Gymnasium is the last luxury tower in the old north of Tel Aviv, close to Kikar Hamedina. Smart Tower combines the advantages of a perfect location with innovative and advanced design. The tower rises 29 stories and presents unique and groundbreaking architectural thinking that emphasizes space and progress. The tower offers 108 luxury urban apartments designed as large and spacious villas, along with luxurious mini-penthouses and penthouses with breathtaking views. The apartments in the tower enjoy spacious spaces, large balconies overlooking the west and a particularly prestigious specification. The building's residents also enjoy a wide range of services such as 24-hour security, a gym, a spa, a luxurious swimming pool and more. The location of the Gymnasium Tower is undoubtedly one of its outstanding advantages in the heart of the most prestigious area in Tel Aviv, the Old North, close to some of the bustling streets of the city, within walking distance of the Yarkon Park, next to the most prestigious shopping complex in Israel and in the heart of a neighborhood that enjoys quiet prestige and high quality of life
